THUNDER ROAD TOURS AT WATKINS GLEN INTERNATIONAL RACEWAY

We own the road! We have reserved time for three paced laps on the historic Watkins Glens International Raceway road course. Experience the twists and turns of The Glen from a unique perspective – inside your own car. Must be 18 years of age to drive.

CRUISER PARADE:

The parade will begin as the Car Show wraps up. We will begin lining cars up in the Phelps Community Center parking lot at about 2:00. We will use back streets to be in position to participate in the traditional Sauerkraut Festival Parade. After the regular parade route, we will take a cruise around back roads to get back to downtown where we'll park all the cars so that we can do the awards presentations. *While everyone wants to show off their muscle, for the safety of everyone involved, please do not spin your tires or burn out. We'd don't want to see a good day ruined with a tragic accident.*

While downtown, we encourage you to visit our local businesses before heading home to get ready for the Poker Run on Sunday.

Please drink responsibly and have a designated driver if you're going to consume alcohol.

POKER RUN (Open to any type of Vehicle):

- (1) **Pre-register** for this event.
- (2) There will be a short course and a long course through the scenic Finger Lakes region. You may choose either.
- (3) Maps will be available at registration on Saturday or we will mail with your registration confirmation.
- (4) The short course will be about 125 miles and the long about 160 miles.
- (5) You will be expected to follow all normal traffic laws.
- (6) The map will indicate five locations where you must stop to pick up a random playing card. Plus, the long course will have additional stops so you can improve your hand if you choose.
- (7) You may start anytime after 10:00, but must return to the Phelps American Legion by 3:00. This will give you plenty of time to relax and enjoy the drive and visit with local sites along the way if you choose. If you want to enjoy a Chicken BBQ when you return, **you must pre-order** it on your registration form.
- (8) When you return, you may purchase additional playing cards if you want to increase your chances. Only natural hands qualify. As an example, if you get two ace of spades, only one can be used.
- (9) 50% of the entry fees will be returned in cash prizes. 25% will go to the Best Overall Hand. 10% to each of the next best hand from each run and 5% to the overall fourth best hand. In case of a tie, a one-card draw will be held with high card winning. For example, if we have 50 cars participate, we will take in \$1,000 in entry fees. \$500 goes to charity. \$250 goes to overall best hand. \$100 to the two next best hands and \$50 to the fourth best overall hand. There will also be a prize for the worst hand.
